

Dahle 20506 Office Shredder

Professional Series

20506

1/4" Shred Size
25/30 Sheet Capacity
Security Level 2
1/2 Hp Motor
Semi-Automatic Features

With the widespread use of network printers and fax machines, confidential business information is constantly being printed throughout the workday. It's important to have a powerful shredder located nearby to easily dispose of this information. This Dahle Office Shredder is designed to accommodate the needs of most busy offices by shredding between 400 and 2,000 sheets of paper per day. It's a perfect shredder for destroying marketing plans, health records, or any confidential information that should not be seen by others.

The Dahle 20506 offers a 10 1/4" feed opening and can shred a maximum amount of 25/30 sheets of paper at a time. This machine features the latest technology in electronics to offer Automatic On/Off operation, and Auto

shutoff when the waste bin is full or the cabinet door is open. These convenient features offer the satisfaction in knowing that all you have to do is insert your documents and walk away, your Dahle shredder will take care of the rest.

Normal office functions will not be bothered by the use of your Dahle Office Shredder. Each cutting cylinder is encased in an all-steel frame and sits on rubber shock mounts. It's this design that reduces vibration through the cabinet and provides whisper quiet operation. With its ease of use and state-of-the-art capabilities, the Dahle Office Shredder will soon become a favorite meeting place and quite possibly the water cooler of the future.

The user friendly control switch sets the shredder to automatic on/off operation and allows for reverse.

Rubber shock mounts reduce vibration and provide extremely quiet operation.
