Dahle 564

Dahle takes safety to a whole new level with it's 564 Premium Guillotine. German engineered, this trimmer feature a revolutionary safety guard that rotates around the cutting blade to ensure complete protection. This guard protects your fingers from a ground blade made of German Solingen steel. The blade sharpens itself with each and every cut so you're guaranteed to maintain a perfectly honed edge. The automatic safety shield, along with the razor sharp blade it protects you from, makes the Dahle 564 Premium Guillotine one of the safest, most capable trimmers ever developed.

per cutter capable of trimming up to 40 sheets of paper at a time as well as mat board. The laser guide illuminates the entire length of the cut line, showing exactly where the cut will be. The ratchet-locking paper clamp provides even pressure along the entire cutting surface and securely holds your work in place to prevent fanning.

The 564 Premium Guillotine with laser guide is available in a 14 1/2" cutting length and is the preferred choice among professionals seeking extreme accuracy.
